# NF-123BU

Automatic Nitrogen Tire Inflation System and Starter Kit

Just add nitrogen and you're in business! This Kit provides everything needed to become a NitroFill dealer except a cylinder of nitrogen. It is our most economical solution.

## This Package Includes:

- NitroFill NF-123 Automatic Inflator/Converter. The NitroFill NF-123 is the original, Patented, multiple tire, nitrogen conversion system....and still the fastest, simplest and most affordable system on the planet.
- Pressure Regulator Kit. Including cylinder pressure regulator, feed hose and all required fittings.
- Four 26' tire fill hoses with self-locking chucks.
- Point of Purchase Marketing Kit. Including a NitroFill Banner, Poster, Counter Mat, 100 Brochures, Brochure Holder and Sales Counter Easel.
- 25 NTM-25 Cap Kits.

## Features:

- Fastest, easiest, most advanced unit available.
- Provides conversions in less than 60 seconds of labor time.
- Programmable from 5psi-174psi.
- Replaces the air in tires with NitroFill nitrogen automatically, without lifting the vehicle or removing the tires or valves.
- Fully adjustable Over Pressure, Purge and Cycle parameters.
- Self diagnostic and calibrating.
- Micro processor insures accuracy to +/-0.5psi.
- Completely mobile unit.
- Rechargeable long life batteries (2).
- Graphic and audible indicators.
- Complete system (as pictured and described above).
- One Year Warranty.

### General Specifications

Power Requirement	24V DC. (2,12V internal Batteries included) 100-240Vac charger included
Operating Temperature	-4°F to 158°F
Max Inlet Air/Nitrogen Supply	174 psi
Operating Range	5-174 psi
Over Pressure Setting Range	0-29 psi
Nitrogen Purges	0-9
Accuracy	+/- .5 psi
Display Increments	1 psi
Units of Measurement	psi, kPa, bar
Dimensions (H,W,D)	56 x 20 x 24
Net Weight	59 lbs.
Shipping Weight	84 lbs.
